Pistol Skills Course - Reloading

## Reloading Skills Course Information

This course will cover how to load a semi-automatic pistol in three conditions the shooter may encounter. Emphasis is on practical exercises, both through dry-fire and through live-fire exercises.

## Course Prerequisite

The student should have completed a basic pistol safety course, such as the [NRA Basics of Pistol Shooting](#), [Bob Soule's Basic Pistol Shooting 101](#) or equivalent.

## Equipment Required

1 – Semi-automatic pistol

3 – Pistol magazines which fit the pistol

1 – Magazine pouch

1 – Pistol holster

100 rounds of ammunition for the pistol.

Eye and ear protection.

## Course Objectives

As a result of the student's participation in this course, they will be able to:

- Name the three types of pistol reloads
- Be able to perform each of the three types of reloads
- Be able to determine when each reload type is appropriate to use
- Perform a status check of the pistol, the magazine, pistol accessories and to determine if a round is chambered in the pistol.

**Course Length** – 2 hours

**Course Fee:** \$30.00

Upon completion of the course, a certificate will be issued to the student attesting to the training received.

**Contact Bob Soule to schedule a session.**
